

## Outreach Report – January 8, 2019 meeting

### December activities included:

- assembly and delivery of food baskets to area families
- collection of Giving Tree items for A Place to Belong, ISD #544 and Someplace Safe. Due to the office closure over the Christmas break and a busy schedule, I still need to coordinate delivery of the items for Someplace Safe and some schools. (Katrina delivered to one of the schools.) Terrific and overwhelming response from our congregation to these needs--nearly every tag filled!

### Fellowship Report
