

Outreach Report – May 14, 2019 meeting

- Met with Nancy Diiro at the Salvation Army on April 10 to better understand how benevolence dollars from FLC are used. Meeting provided information for April Messenger “Mission Moment”.
- Currently lining up drivers for our next Meals by Wheels commitment, May 20-24.
- Put together a 2019 benevolence proposal for review by Pastor Gretchen and Katrina. General concept will include suggested allocations both by dollar and percentage so Katrina can pay as she is able, and final adjustments can be made if the total benevolence dollars are altered at year-end.
