### **Discussion:**

- The team did a debriefing of their last meeting with Ps. Jon Olson and discussed their upcoming meeting with Ps. Blair Anderson on March 9<sup>th</sup> about the church's capital campaign. We discussed which qualities we are looking for in the consultant we decide to go with: Are they easy to work with, cost, experience, and vision for the campaign. Ps. Gretchen asked each of us to prepare one question for Ps. Blair.
- We continued our discussion of Gratitude Sundays. We decided to invite benevolence recipients in to set up a table in the Narthex on gratitude Sundays to be available for questions and that the person giving the temple talk would try to relate their talk to that area of ministry.
- Jeani Trosvig volunteered to give the temple talk on May 3<sup>rd</sup>.
- We decided to tentatively schedule Discipleship Sunday for Oct. 4<sup>th</sup>. We are going to ask Larry Strege from Cultivating Conversations to be our guest speaker that Sunday. Michael volunteered to get a hold of him.

**Closing:** Pastor Gretchen lead a closing prayer.
